Dear Sir:

YOUR YACHT - Was she damaged or lost
in the hurricane last fall?

We have built, under the supervision
of Major William Smyth, a cutter and a
schooner. These boats fulfill the
exacting standards and designs of
William J. Roue from the office of
Ford & Payne.

Possibly you have a friend who might
be interested in one of these worth-
while yachts.

We will be glad to give you further
information upon request.

Yours very truly,

PEIRCE & KILBURN CORPORATION

Clifford S. Kilburn,
Treasurer
